Template

The image shows a template for a book cover, divided into three main sections: 'Outside Back' on the left, 'Spine' in the center, and 'Outside Front' on the right. The entire template is enclosed within a blue dashed line, which represents the bleed allowance. An orange solid line indicates the die cut area. Yellow dashed lines within each section define the maximum imprint area for graphics and text that does not bleed. The spine section features two circular punch holes, one near the top and one near the bottom. The 'Outside Back' and 'Outside Front' sections are large rectangular areas with rounded corners. The labels 'Outside Back' and 'Outside Front' are positioned at the bottom center of their respective sections.
